*Review: lol, generic rubric to rate a book by Bucky Fuller. Nice going, internet. No, seriously, the plot of this book is like Twilight meets 50 Shades of Grey meets Furious 7. You should totally buy it. So...if you know who Fuller is, you likely know how important this text is within the historical development of a concept of ecology as an interplay...*

*Description: The title of this book was chosen to encourage and stimulate the broadest attitude toward thought... If, in imagination, all of the people of the world were to stand upon one another's shoulders, they would make nine complete chains between the earth and the moon. If it is not so far to the moon, then it is not so far to the limits - whatever, whenever,...*
